## SEE THE BENEFITS

### of the Ultra D.C. High-Speed Burnisher

**Warranty:** "Best Warranty on the Planet" – 5-years on motor and chassis.

- Burnishing power with 1.5 HP, 15 Amp, D/C rectified motor that eliminates burn-outs, low voltage and startup torque problems.
- Reliable 1170, 1500 or 2000 RPM motor speeds.
- 19", 20" or 21" aprons with non-marking, full wrap bumpers protect walls and baseboards.
- Low profile drive apron easily reaches under counter coves and beds.
- Balanced chassis design provides precise pad pressure. Includes flexible pad holder with threaded pad-centering device that conforms to floor irregularities, delivering an even shine and gloss.
- All metal chassis gives added weight for a faster, longer lasting and brighter shine.
- Designed with safety in mind. The interlock switch leaves both hands conveniently in control. Safety enhanced, non-conductive dual triggers eliminate shock potential.
- 6" non-marking operating wheels and separate 4" transport wheels prevent tracking of contaminants.
- Fully adjustable 48" handle is comfortable for all operators.
- Includes (1) 50-foot, 14/3-gauge safety power cord. The motor plugs into the cable at the handle base for easy maintenance.

## APPLICATIONS

- Burnishers operate at a higher speed than slower buffers and provide a quick and economical way for a business to have a clean appearance.
- Burnishers are able to cover large spans of area compared to buffers. This makes burnishers useful for cleaning large surfaces in businesses or even supermarkets.

## FRONT CASTER ASSEMBLY

### Experience Precise Pad Pressure

- 2000 RPM models include the front caster assembly.
- Front leveling provides precise pad pressure for even shine and gloss.

\* 230 Volt Models Available

## MODELS

Model	Apron Size	RPM	Motor	Weight
DC-19-1170	19"	1170	1.5 HP	84 lbs.
DC-20-1170	20"	1170	1.5 HP	85 lbs
DC-21-1170	21"	1170	1.5 HP	86 lbs.
DC-19-1500	19"	1500	1.5 HP	84 lbs.
